Reckless Abandon

Synopsis

A heart-wrenching breakup, an accidentâ | a loss. Every time Emma Paige stretches out her right hand she is reminded of all the dreams that faded in one awful weekend. But when Emma and her sister, Leah, embark on a trip to Capri, Italy, a near drowning leads them deserted in a foreign country. When a stranger offers to help, the sisters follow him to his luxury yacht where Emma faces her greatest challenge yet. His name is Asher. Over the course of three days, Emma and Asher enter into an intense, complex and emotion extracting relationship. But when Emma learns of Asherâ™s real identity she finds herself betrayed and stranded by the only man she was ever able to open her heart to. A chance meeting in New York, a romance communicated through music and a choice greater than any love sheâ™s ever known, Emma learns of Asherâ™s demons and is left to wonderâ | Is he here to save her or is he the one who needs saving? An intense novel about rediscovering yourself while fighting the demons of your past. Trust is put to the test and desire is tempted like never before. Packed with dynamic characters, a powerful admission and lyrical writing, Reckless Abandon has the all the feels of a great romance equated in beats and measures.â œA Definite Must Read! This book starts you off with a bang, sucks you right in and keeps you held fast turning page after page after page. Right from the prologue we are totally shocked and needing to know what happens next. This read is so amazing, the author has created a wholly intense, emotional, heart palpitating, passionate, and beautiful romance.â • â “ Melissa, Books Can take Your Thereâ œ The emotion she wove into this story made my heart to ache, the passion the characters had for one another was off the charts, and how music continued to bring them back together was magnificent! It was an incredible read that I didnâ™t want to endâ | What are you waiting for? GET THIS BOOK, NOW!â • â “ Naomi Hop, Naomiâ™s Reading Palace

Customer Reviews

I finished reading Reckless Abandon last night, and even if this could be considered a standalone novel, I would highly recommend reading Pure Abandon first. We met the male main character in Pure Abandon, and learned how the tragic events in the young life of Alexander (Gutierrez) Asher lead to him having serious trust and abandonment issues. It is in Capri, Italy under very strange and unusual circumstance, that our book leading lady Emma Paige meets Asher. She is there with her sister Leah on what was to have been her sister's honeymoon. Emma is broken and grieving so given up on life, after having the most heartbreaking and tragic year. Emma is so depressed that her sister postponed her wedding and took Emma on her scheduled honeymoon, to try and help start her mending the pieces of her heart back together. The sister's first glimpse of the handsome and eligible Asher is through binoculars and at such a great distance that they didn't know who he was, but it made a very lasting and unforgettable impression. Fate seemed like it really wanted these two to meet, and with Leah's persistence she didn't give up my honeymoon so you could wallow the entire trip, she was forced out and met Devon when she accidentally fell overboard, and he saved her life, plus was who lead her to meet Asher. They are two broken people who are broken and loving someone or something is just not worth it because when you lose it when you lose them the pain is too much to bear. No matter how intrigued, attracted or needy of each other a life time of distrust for Asher and Emma is convinced her life is destroyed. Sometimes the wounds are so deep the heart broken into so many pieces, that nothing and no amount of love can fix. He wants me to save him. He wants to fix me.

Reckless Abandon by Jeannine Colette 4.5 stars!!! There is a fire between us and I know we're gonna get burned. After reading Pure Abandon my heart broke for Asher, I absolutely adored him, but I guarantee that by the end of Reckless Abandon you will be going Kathryn who? Jeannine Colette manages to deliver a woman worthy of Asher and vice versa. These two were

similar in so many ways, with shared interests in music and kids. Even though between these two they had lost so much, together they gained a lot and gave even more and as their story pans out over the pages you cannot help but be drawn into Emma and Asher's story. This book starts on the Island of Capri where Emma is on holiday with her sister. It should have been her sister's honeymoon but due to a family tragedy the wedding was postponed. As Emma was in dire need of a break her sister takes her away from it all and is determined to find that light in her sister's eyes once again. "do you want to be the girl who cries in her hands or do you want to be the girl who has fun?" Emma has had the worst year in the history of years and because of this she has lost her direction and her vibrancy for life. Everything she had worked so hard for had been cruelly taken away and the emotional loss of a loved one has left an indelible mark on her heart and soul. She is truly at rock bottom and not even a trip to the glorious Island of Capri is going to change it, until she meets Asher. Asher is also finding himself by hiding out from work and all the pressures and decisions he knows he needs to make. Asher takes to his boat where communication is spotty at best and he can be left to his own devices, thoughts, opinions and hopefully can find his own direction.

I absolutely loved this book, loved it! This is a beautiful, amazing love story. One that will stay with me forever. I'm admittedly a Jeannine Colette fan, love her books and love her, she's awesome. I was lucky enough to get an early copy of this book and felt more than honored. Yet Jeannine asked me to be honest, so I'm being honest. The book is awesome, everything I expected from Asher's story and then some. Like most other fans of Pure Abandon (Jeannine's first book, which I loved), I fell in love with Alexander Asher and was rooting hard for him and Kathryn to end up together. Yes, Jeannine's writing is so good I was rooting for the lover. Anyway, little did I know when I read Pure Abandon that Alexander Asher's story will end up being bigger and better. You definitely do not have to read Pure Abandon to completely enjoy this book, but you totally should because it is really good! So, Reckless Abandon, what can I say. This book grabs you from the first page of the prologue. The story follows the heroine Emma Paige and her sister Leah on vacation in Capri, Italy. Emma has had a really bad year, really bad, full of loss and regret. She has lost someone very dear to her, ended a long term relationship and also lost her livelihood and career. Her family is extremely worried about her well-being and her sister, who is awesome and hilarious, takes her on this vacation to cheer her up. Through a series of unfortunate but fortunate events, she meets Alexander Asher. Asher is gorgeous, mysterious and also damaged. He is also rich, very rich, but Emma has no idea who he really is. They instantly connect,

they are both broken and damaged and share the same passion for music.
