Customer Reviews

The first time when I got the piece, I found that there's missing pages on the flute part. Then I contact them, they gave me feedback right away and want to mail me another new one. I got it so quickly beyond my thought. Wow, what a excellent job they did. There's not much this kind of good service you can experience nowadays. So, buy their product and you won't disappointed.

Hotseller. Beautiful expansive, lyrical flute at one of its finest. Better than Copland's DUO imo. In 3 movements. First movement is reasonably easy - great for beginners practising simple vibrato & beautiful tone when one wants a break from Syrinx.

We expected to receive 2 pieces, both the flute music and the piano music. The flute part is shown on the piano music but this is not what you normally receive when ordering a flute and accompanying piano part. Will have to reorder from a different company.

This piece is a staple of my flute repertoire. It is a fun and exciting beyond belief! If you are a proficient or advanced player (College or beyond) this is a good choice for you! However, the very

front of my piano score has a typo-instead of "Burton" it says "Burdon". It's not a problem, but I found it funny; everywhere else in the flute/piano scores says "Burton".Also-was shipped well, had no issues with it.
