# Knight And Play: Knight Series, #1

## Synopsis

CEO of Knight, Inc., Lucien Knight is catch-your-breath gorgeous and damaged by his troubled past in Norway. All grown up and relocated to London, he's built his empire of adult clubs from the ground up to become the gorgeous patron saint of the sex industry. No one knows the dark childhood secrets that have given Lucien a backbone of steel and a heart encased in ice. No one until Sophie Black, that is...From the moment girl-next-door Sophie accepts the job as Lucien Knight's PA, she understands how Alice must have felt when she tumbled down the rabbit hole. Lucien takes her safe, vanilla life away and plunges her head first into a huge dish of fantasy flavours. Rich, spicy chocolate covered with dark, oozingly lickable sauce? Check. Tutti-frutti with indecently red, glistening cherries on the top? Yes please. Lucien strips away all of Sophie's inhibitions, and when he instructs her to select three new toys, she soon realizes he has more than a game of Monopoly on his mind . . . He's opened the door to a whole new pleasure-packed world without limits, and Sophie is utterly intoxicated. But how far is she willing to go? And what happens when she has to step back into reality again? Lucien and Sophie's is a story of star-crossed love and forbidden passion, a sexual odyssey that spans the globe and changes both of their lives forever. Let it change yours, too.

## Book Information

Audible Audio Edition

Listening Length: 8 hours and 6 minutes

Program Type: Audiobook

Version: Unabridged

ASIN: B00GGWG3OI

Best Sellers Rank: #223 in Books > Audible Audiobooks > Fiction & Literature > Erotica #6864

in Books > Literature & Fiction > Erotica #53039 in Books > Romance

## Customer Reviews

ReviewAs you can see, I have only rated this book 3 stars. This is for a few reasons. However firstly I will go through what I liked about this book. Knight and Play is a hot read and this is mostly to do with Lucien, his words are highly seductive and he exudes that confidence that we have all come

to know and love from our sexy book boyfriends. It is well written and that although similar to some stories out there, it had enough of a different story line to seem fresh. In saying that, there were things about this book that I didn't like. Like Lucien I have a real problem with cheating. Sometimes, totally depending on how it is written, I can handle it. But there was something about Knight and Play that made me uncomfortable. Yes, Sophie's husband is cheating but does that mean that she should be free too? I didn't understand Lucien's need to get Sophie to do the things he wanted her to do. Why is he so keen? Why does he seem to think this will solve all her problems? Does he like her? Is it for revenge? Is he just a jerk who is used to getting what he wants? So many questions and of course we are just starting to get to the point when we may get some of those answers when we reach my next problem in the book. It's a cliffhanger!!!! Argh, I know I am not the only one who gets totally frustrated with reading a great book only to find you have to buy two more to get the answers you seek. This book had started to wane for me a bit and then in the last chapter or so I started to get a bit more excited, emotions were starting to show and I was getting excited. Then a tense moment at the end. Next book due in April. Grrrrr I admit that this ending gave me enough to intrigue me into getting the next one.

I loved Lucien and Sophie...some may disagree. This is an Erotic Romance that is done beautifully. There is a lot of sex and exploration for Sophie. Lucien is an adult entertainment mogul, she is married to her high school sweet heart who has been cheating on her for almost two years. Lucien has a cold heart and thinks love is not natural....yet he has a very lovable warm side to him and is not cynical. Some how Ms. French makes this work into something not tawdry, but makes you see it is about a man helping a woman see her self as beautiful and desirable again....while exploring feelings he is not familiar with. Little time is spent in the clubs and it is more about their time together. Sophie is not winey and just feels what we would expect one to feel as her husband makes her feel lonely and unwanted. She feels the guilt of cheating on her husband knowing two wrongs don't make it right. You will not judge her though...you will be happy with her decision to take her life back and to understand herself again...and hoping that she will ditch her cheating husband and fix what had hardened Lucien's heart....so they can both find in each other what they have been missing. Some of the reviewers were unhappy about how quickly all this happened, it is a story and if it did not move at a some what quick pace people would be complaining it dragged on. It is not like she walked into his office her first day of work and threw her underwear at him. She was feeling lonely and dejected by her cheater husband and she felt desired for the first time in a long time...so she jump at an opportunity to feel again....not that Lucien was a hard choice!
