This is a huge hit with all the hockey players in our lives. Sits on the back of their toilets in college. That's a real show of thumbs up from boys. It's missing a few secondary rinks, but the memories will flood when you look through this.

Awesome book, I played hockey in Minnesota for 20 years. I love looking at all the rinks in the state, especially the one's that I got the opportunity to play at, they bring back many memories.

A really fun book for those of you that have played hockey or have children in hockey in MN.
