Tales From A Not-So-Happily Ever After: Dork Diaries, Book 8

Synopsis

Nikki Maxwell's favorite fairy tales get dork-tastic twists in the eighth book of the number-one New York Times best-selling Dork Diaries series! After a bump on the head in gym class on April Fool's Day, Nikki has a wild dream in which she, her BFFs Chloe and Zoey, her crush Brandon, and mean girl Mackenzie all end up playing the roles of some familiar classic fairy tale characters. Of course, the stories don't go quite as expected - because they each have a very special Dork Diaries spin!

This book has humor and heart, the two most important pieces of the puzzle! No one can forget this timeless, heart filled book and this book deserves more than a good ratings, but a happily-ever-after. I look up to Rachel and I always will. She is inspiring and you can always count on her to make the very best happily-ever-after! I will always be proud to call myself a dork because of Rachel, and I will always remember her for as long as I live! Thank you Rachel!:)Jaelyn Knoll (10 awesome years old)
