# Phil Cross: Gypsy Joker To A Hells Angel

## Synopsis

Go for a ride on the wild side with a member of the Hells Angels Motorcycle Club! In the early 1960s, a young Navy vet, motorcyclist, amateur photographer, and rebel named Phil Cross joined a motorcycle club called the Gypsy Jokers. He started a San Jose chapter of the Jokers and embarked on the most action-packed years of his life. The Jokers were in the midst of a shooting war with the real Hells Angels. The fighting became so intense that the Jokers posted snipers atop their clubhouse. This was a rough time, but it was also the height of the free-love hippie era, and as a young man, Cross enjoyed himself to the fullest. He never let anything as minor as a little jail time stop his fun. Once, while serving time for fighting and fleeing an officer, Cross broke out of jail, entered his bike in a bike show, won the bike show, and broke back into jail before anyone discovered he was missing. Though Cross was tough—he was a certified martial arts instructor—the Angels proved a tough foe. After multiple beating-induced emergency room visits, Cross decided that if you can't beat 'em, join 'em, so he and most of his club brothers became the San Jose chapter of the Hells Angels. He has been a member of the Hells Angels for 47 years.

## Book Information

Paperback: 240 pages

Publisher: Motorbooks (October 1, 2016)

Language: English

ISBN-10: 076035197X

ISBN-13: 978-0760351970

Product Dimensions: 6.8 x 0.6 x 9.5 inches

Shipping Weight: 1.4 pounds (View shipping rates and policies)

Average Customer Review: 4.3 out of 5 stars [See all reviews](#) (110 customer reviews)

## Customer Reviews

I am a sucker for any book about outlaw motorcycle club culture and the individuals who roam within them. As a blue blooded 81 supporter, I definitely gravitate towards books about Hells Angels; whether it's Sonny or Chuck's autobiographies, Hunter Thompson's gonzo trials and tribulations within the club in the 60s, Freewheelin' Frank's bizarre tome about the MC, or the dozens of

so-called true-crime books written by 'experts' about infiltrating the club, the canadian MC wars, or whatever they can whip up to cash in on the biker culture... I read it all. Outlaws, Pagans, Bandidos, Satans Choice, whatever... I read em all. So it was obvious that when the book "Phil Cross: Gypsy Joker to a Hells Angel" came out I'd be the first in line to grab it. On every level, this book is an absolute must have, no matter where your so-called club allegiances lie. Every aspect of this book is perfection. The hardcover version is slightly oversized with an incredible full color dust jacket that pulls your eyes right out of your head. And as MC culture evolves (or devolves, depending on who you ask) it's always refreshing to grab a book written by one of the old school players. Phil Cross is one such player. Phil Cross is one tough bastard. In the military he got into loads of trouble thanks to his willingness to let his fists do the talking. After the military he got heavily involved in west coast MC culture in the 60s, still taking care of business with those fists. As a Gypsy Joker he had his fair share of scrapes with the Hells Angels, eventually being patched over. From there, the rest is history. Phil's writing style is remarkably succinct. With the help of copious amounts of images, Phil lets us in on some of his many adventures, but without over-doing it with flowery elaboration.
