Customer Reviews

I took flute for two years and this was my beginning book. I somehow lost the book and wanted to try my skills again, which had become rusty from not practicing. It is a good basic beginning book and I would highly recommend it.

Great book, bought this for 6th grade beginner band for my daughter. The first was lost in the mail, so the shipper immediately sent me a new one. Great customer service!!!

Just what the band instructor required but much less expensive than the company they wanted me to buy it from. Thanks!

this is a great learning tool for flute. It has the songs to play along to. is simple to understand. My daughter loves it and has learned a ton.

This book is perfect for beginning students and is recommended for the sixth grade students. Price and understanding level was very good.

I bought this after my daughter attended her first week of music camp. She started playing right away and has taught herself 3 songs

Great book, very clear and helpful. Got it for a brand new flautist and she loves it.
