# Washington & Old Dominion Railroad Revisited (Images Of Rail)

## Synopsis

Washington & Old Dominion Railroad covered the railroad's corporate history, construction, and operation. This second volume expands the coverage with a geographic focus on four locations: Rosslyn, Great Falls, Leesburg, and Purcellville. The images within offer a look at the railroad's feed and grain business, railfan-type views of equipment, and a visual record of methods used to maintain the right-of-way and place equipment back on the tracks. Additionally, this work offers a history of the conversion of the right-of-way into the very popular Washington & Old Dominion Railroad Regional Park. Learn about the history of mills and their place in the local economy. See how the Burro crane was a jack of all trades. Look under the hood and inside the cab to imagine what it was like to be an engineer on one of the railroad's Baldwin-Westinghouse electric freight locomotives.

## Book Information

File Size: 38780 KB

Print Length: 128 pages

Publisher: Arcadia Publishing (August 17, 2016)

Publication Date: August 17, 2016

Sold by: Digital Services LLC

Language: English

ASIN: B01HQP156Y

## Customer Reviews

I would say this is a decent book. I now have 4 different references on the Washington & Old Dominion Railroad.

Excelent documentary....
