## Customer Reviews

The Sex Picture series, along with its' sister publication APB 18+, are print or digital snippets of the massive Met-Art.com website. The quality of the books is very high and the content is generous, although progressive, from clothed to nude, over approximately twenty photos per model. And these are professional models, not some ones' perve boyfriend with a cheap camera. It is, however, much more cost effective, at about the cost of two and a half books per month, to just join the site through its' US monthly billing agent CCBill, rather than buy the picture books.
