## Customer Reviews

It was pretty cool to see Yugi and his buddies continue their way through the maze of games. This is a really great book. The author is very nice guy. very funny and interesting book. Recommended to others.

I wanted to learn about how to play yu gi oh and this tot me how to play and showed me the best cards. I only have 3 cards and my best was atk/2000 def/2600 without magic cards but as I looked in the best cards section, mine was small compared to obolisk the termanator or bue eyes white dragon

at the end of the book is so funny and hilarious read it so cool and the cards are overpowered the jokecards are way overpowered read it you'll love it

Loved it. Totally worth your time and money. It got some good pictures, passing this book reference to my friends too.
