Pierced: Lucian & Lia, Book 1

Synopsis

My name is Lucian Quinn, and I own one of the most successful software companies in the world. I'm 29, rich, and single. Impressive, right? I'm also a favorite target for every hungry socialite looking to land the uncatchable catch. What these women don't know, though, is that I'm completely screwed up and damaged beyond repair. The only part of me I'll ever willingly give them is the hour it takes to make them scream...several times. Then I saw her.... I'm Lia Adams, and I'm in my last year at St. Claire's University in North Carolina. I grew up with an abusive mother and a twisted stepfather who was worse...so much worse. I'll do anything necessary to survive, even work as an escort to help pay for my college expenses. The men I accompany to various events are mostly harmless and just want an attractive woman on their arms for an evening. It has never gone further than that...until him.... Contains mature themes.

Customer Reviews

This book was an EXCELLENT way to start a trilogy. I will warn you thoughâthis book ends with a harsh CLIFFHANGER!!!! So if you don't like cliffhangers, you are going to want to wait to read this book. Book 2 doesn't come out until Winter of 2014. I am a huge fan of Sydney's Danvers Series, so I was so excited to see she was branching out from those books and creating a whole new cast of characters. I went into this book knowing it was a trilogy and presumed that it would end with a cliffhanger, but still decided I needed to read it now!!! Normally I would've taken a 1/2 star off for the cliffhanger, but I can't fault the author for that since I had a feeling it was one and still read the book without waiting. I am so glad I read it NOW!!! This book was so good!!! It was totally different from

her other books, but in a good way. This book does give you the 50 Shades of Grey and Bared to You feel, but was totally original in the storyline. Really the only similarities is that Lucian was a very wealthy man and Lia is a younger college student with a broken past. This story was written beautifully. It was smooth and flowed effortlessly. I loved that we got both POV's in this book. This book is definitely a page turner and let me tell you, you won't want it to end!!! I couldn't turn the pages fast enoughâ |LOL." Two lost souls drawn together by the scars of the other" That quote totally sums up Lucian and Lia. We don't find out a lot of Lucian's past in this book. We are given small details and we know a little bit about how it ended in the past, but I am hoping we get to know him a lot more in book 2. I have a feeling his story is going to be a sad one." Oh, Lia, you never challenge a man like me.
