# Asshole: How I Got Rich & Happy By Not Giving A Damn About Anyone & How You Can, Too

## Synopsis

Nice guys, pushovers, soft-touches and suckers: Tired of being walked all over? When the waiter brings you something you didn't order, do you assume he knows best? Are you ready to demand the respect you deserve? Martin Kihn doesn't care what your answers are, because of course you need this book. Watch and learn as this one-time softy transforms himself into a lean, mean a-hole machine. --This text refers to an out of print or unavailable edition of this title.

## Book Information

Audible Audio Edition

ASIN: B0017L9V7Y

Best Sellers Rank: #16 in Books > Audible Audiobooks > Humor > Parodies #110 in Books > Audible Audiobooks > Fiction & Literature > Literary Criticism #200 in Books > Humor & Entertainment > Humor > Parodies

## Customer Reviews

This book isn't what I expected. I've read all of the how-to-deal-with-a-corporate-bully books. This time, I wanted one written by a bully to see how they think and why they bully nice people like me. This is a humorous, part fiction, part embellishment, part real life, part movie script parody of a "nice guy" worker trying to climb the corporate ladder while the "mean guy" steps all over him and gets ahead. The "nice guy" studies the "mean guy's" habits which seem to work at putting him higher on the corporate ladder while the "nice guy" is left behind. The "nice guy" adopts the "mean guy's" habits through various means which is pretty funny. Once I figured out that it wasn't what I wanted, I kept reading anyway because it was a good laugh. As an aside, my husband is kind of a "mean guy" at work and sometimes at home. I work with him, so I know that he is mean at work. I was laughing out loud as we were taking a long road trip, so I started reading him a passage from the book on how "mean guys" interrupt and talk over people to gain control of a conversation. Before I could get to the second paragraph about interrupting, my husband interrupted me and yelled, "How long is this going to take? I really don't like the title of that book. It offends me, blah, blah, blah."

When he finally finished, I explained that it's only two paragraphs and it was funny and I asked if I could continue. He agreed, so I continued reading the passage when he interrupted me again, this time louder to tell me he interrupts me because I never get to the point. I repeated I had only one sentence left to read of the two paragraphs. He sighed and let me continue. Then I finally got to the part about a "real mean guy" interrupts constantly and gets louder with each interruption.
