Jokes: Best Jokes 2016

Synopsis

We all love a little laugh as it helps us in getting fresh and hearty. Who doesn't like a good session of jokes? If you too are looking to add a little humor to your life and you would love to have some rib-cracking laughter sessions, we have a perfect book for you. The Internet is a vast repository of jokes and the list is practically too big to handle. However, not all jokes are funny, and damn, we all know how much it frustrates to hear a joke (and some pathetically long ones too) and then end up wondering WTF, where did that go?! Heck, I didn't even twitch an eyelid, leave apart laughing. So, to spare you from all such bloopers.... We have brought for you the best jokes of 2016, compiled all together. We have spanned multiple dimensions and we are sure that you can't keep a straight face as you listen to the jokes. They are just too funny to simply smile. We had a cracker of a time compiling it as we broke into fits of laughter. So, are you all set to truly have a fun ride by dabbling on the best jokes that were hot on the Internet?

Absolutely loved this joke book! This was actually really funny! Most joke books I have come across are very similar and are more aimed at kids, this one had some great lines in it. Definitely recommended. Thank you for great service for humanity!

When bored or feeling low, why not take a deep breath and grab this book! As the popular cliché goes, "Laughter is the best medicine". Spend some time to sit back, relax and laugh. Read over the best jokes this eBook purposely compiled just for your fun and laugh trip. Break the ice and laugh all you can as you enjoy reading every page of this book!

It's having some real jokes!No large jokes that will disgust you. Only real jokes to make you laugh.Get ready to travel the world of fun through the book. Read the book and enjoy yourself.

Although the author talks of kids funny jokes, I took time to read through and it was a time to remind myself of the past years and of course I enjoyed, As I switched off my world and enjoyed the kids stories and funny jokes that makes this book a good relaxation time, Don't be too serious all the time .

This book is just like as a fun box which described many funny jokes. I got this book in and I also bought this book for me. Because I like to read to fun book. I also read this book and it was so funny. Thanks author to write this type of book.

This book is a small price for a large amount of laughs. While I never heard these jokes before, they reminded me of jokes that would likely be told by my favorite television boss of all time, Michael Scott. I could picture him holding a staff meeting and going off topic telling some of these jokes. I

highly recommend this book for those that are fans of shows like "The Office" or just general fans of comedy.
